

The American Journal of Human Genetics

**Published monthly for the American Society of Human Genetics
by the University of Chicago Press**

Editor: Peter H. Byers, M.D., *University of Washington, Seattle*

Since 1948, *The American Journal of Human Genetics* has provided an authoritative record of research and review relating to human heredity. The *Journal* focuses on applications of genetic principles in medicine, human biology, physical anthropology, and social services and on relevant areas of molecular and cell biology. Your annual subscription to *AJHG*, including approx. 2,500 pages, features

- Original, peer-reviewed research articles
- Critical commentaries, letters, and book reviews
- Announcements of conferences and employment/fellowship opportunities in human genetics

One-year subscription rates: Nonmember individuals and institutions: \$275.00. Outside USA, please add \$24.00 for surface postage. Subscriptions entered on a calendar-year basis only. Canadians, please also add 7% GST. Visa and MasterCard payments accepted. To order, send check or credit card information (acct. #, exp. date, telephone number, and signature) to **The University of Chicago Press, Journals Division, Dept. SF5SA, P. O. Box 37005, Chicago, IL 60637 USA. Credit card customers may fax their order to (312)753-0811.**
