Corrigenda

A Family Apparently Showing Transmission of a Translocation between Chromosome 3 and one of the 'X-6-12' or 'C' Group. G. Clarke, A. C. Stevenson, Pamela Davies, and C. E. Williams. Vol. 1, p. 27.

The Table on p. 31 requires the following corrections:

- |                              |   |
|------------------------------|---|
| II.5 Substitute MSMs for MNS | III.7 Substitute MSNs for MsNs              |
| II.6 „ MSMs for MMs          | III.7 „ R <sub>1r</sub> for R <sub>2r</sub> |
