

Contents

- Incidence, prevalence, and gene frequency studies of chronic childhood spinal muscular atrophy JOHN PEARN *page 409*
- Genetic studies of acute infantile spinal muscular atrophy (SMA type I). An analysis of sex ratios, segregation ratios, and sex influence JOHN PEARN *page 414*
- Segregation analysis of chronic childhood spinal muscular atrophy JOHN PEARN *page 418*
- Genetics of adolescent idiopathic scoliosis A. CZEIZEL, A. BELLYEI, O. BARTA, T. MAGDA, AND L. MOLNÁR *page 424*
- Angiokeratoma corporis diffusum (Anderson-Fabry disease) in a single large family in Nova Scotia M. W. SPENCE, J. T. R. CLARKE, D. M. D'ENTREMONT, G. A. SAPP, E. R. SMITH, A. L. GOLDBLOOM, AND G. DAVAR *page 428*
- A report on genetic Registers. Based on the Report of the Clinical Genetics Society Working Party A. E. H. EMERY, C. BROUGH, M. CRAWFURD, P. HARRIS, R. HARRIS, AND G. OAKSHOTT *page 435*
- Thalassaemia types and their incidence in Sardinia A. CAO, R. GALANELLO, M. FURBETTA, P. P. MURONI, L. GARBATO, C. ROSATELLI, M. T. SCALAS, M. ADDIS, R. RUGGERI, L. MACCIONI, AND M. A. MELIS *page 443*
- Thalassaemia of intermediate severity resulting from the interaction between α - and β -thalassaemia S. MUSUMECI, G. SCHILIRÒ, G. PIZZARELLI, A. FISCHER, AND G. RUSSO *page 448*
- Taurodontism and Klinefelter's syndrome Y. KOMATZ, T. TOMOYOSHI, O. YOSHIDA, A. FUJIMOTO, AND K. YOSHITAKE *page 452*
- Report of a mucopolysaccharidosis occurring in Australian aborigines H. R. TAYLOR, F. C. HOLLOWES, J. J. HOPWOOD, AND E. F. ROBERTSON *page 455*
- Meckel syndrome and the prenatal diagnosis of neural tube defects MARY J. SELLER *page 462*
- X-Y translocation in a retarded phenotypic male. Clinical, cytogenetic, biochemical, and serogenetic studies RENÉE BERNSTEIN, JOAN WAGNER, JOY ISDALE, G. T. NURSE, A. B. LANE, AND T. JENKINS *page 466*
- Case reports:
- Prenatal diagnosis of a *de novo* Y/22 translocation MARIANNE VERJAAL, P. E. TREFFERS, Y. NAGAI, AND N. J. LESCHOT *page 475*
- Partial trisomy 6p with karyotype 46, XY, der(22), t(6;22)(p22;q13)mat G. B. CÔTÉ, S. PAPADAKOU-LAGOYANNI, AND S. SBYRAKIS *page 479*
- Osteosarcoma in a patient with Hutchinson-Gilford progeria C. R. KING, J. LEMMER, J. R. CAMPBELL, AND A. R. ATKINS *page 481*
- The Aase syndrome in a female infant MARILYN C. HIGGINBOTTOM, K. L. JONES, FAITH H. KUNG, T. K. KOCH, AND J. L. BOYER *page 484*
- Correspondence *page 487*
- Index *page 489*
