

Contents

- Genetic control of severe pre-eclampsia D. W. COOPER AND W. A. LISTON *page 409*
- In vitro* studies on adenomatosis of the colon and rectum B. SHANNON DANES AND T. ALM *page 417*
- Hereditary aspects of duodenal ulceration: pepsin 1 secretion in relation to ABO blood groups and ABH secretor status L. WAFT, N. B. ROBERTS, AND W. H. TAYLOR *page 423*
- Heterogeneity of sickle cell anaemia in Arabs: review of cases with various amounts of fetal haemoglobin KARIM KAMEL *page 428*
- Association of glucose-6-phosphate dehydrogenase deficiency with diabetes mellitus in ethnic groups of Singapore N. SAHA *page 431*
- Autosomal recessive lipid storage myopathy (probable carnitine deficiency) C. ALMOG, K. FRIED, R. REIF, J. ZIEGHELBOIM, AND G. LEWINSOHN *page 435*
- Congenital hypothyroidism in Klinefelter's syndrome W. A. CAMPBELL AND W. H. PRICE *page 439*
- Hereditary neurocutaneous angioma: a new genetic entity? J. ZAREMBA, M. STEPIEŃ, M. JELOWICKA, AND D. OSTROWSKI *page 443*
- Familial infantile scoliosis associated with bilateral paralysis of conjugate gaze M. GRANAT, Z. FRIEDMAN, AND T. ALON *page 448*
- Partial monosomy 7 with interstitial deletions in two infants with differing congenital abnormalities M. d'A. CRAWFURD, I. KESSEL, M. LIBERMAN, J. A. MCKEOWN, P. Y. MANDALIA, AND M. A. C. RIDLER *page 453*
- Familial partial 7q monosomy resulting from segregation of an insertional chromosome rearrangement K. B. NIELSEN, F. EGEDE, I. MOURIDSEN, AND J. MOHR *page 461*
- Factors predisposing to adjacent 2 and 3:1 disjunctions: study of 161 human reciprocal translocations P. JALBERT AND B. SELE *page 467*
- Case reports:
- Prolonged P-R interval in a male with 47,XXY karyotype S. NANKO AND J. MIYAWAKI *page 479*
- A case of complete testicular feminisation and 47,XXY karyotype M. GERLI, G. MIGLIORINI, V. BOCCHINI, G. VENTI, R. FERRARESE, E. DONTI, AND G. ROSI *page 480*
- A further case of a new syndrome including midface retraction, hypertrichosis, and skeletal anomalies D. DONNAI AND R. HARRIS *page 483*
- Roberts's syndrome and clonidine C. STOLL, J-M. LEVY, AND D. BESHARA *page 486*
- Announcement *page 489*
- Index *page 490*

ASTM CODEN: JMDGAE (16) 409-499 (1979)
