THIRD INTERNATIONAL CONFERENCE ON
CHORIONIC VILLUS SAMPLING AND EARLY
PRENATAL DIAGNOSIS

The Third International Conference on Chorionic Villus Sampling and Early Prenatal Diagnosis will be held at the Palais de l'Europe, Strasbourg, France on 17 and 18 December 1986. Further details may be obtained from the Conference Secretariat (CVS), Kingsley House, 104 Loughborough Road, West Bridgford, Nottingham NG2 7JH.

CLINICAL GENETICS SOCIETY PRIZE

The Clinical Genetics Society will offer a prize of

£150 for a paper by a member of the Society who is under the age of 35 years on 31 December 1987. The subject should be clinical or laboratory research relevant to clinical genetics, which has not been previously published. Submissions should be sent before 28 February 1987 to the Honorary Secretary of the Society, Professor Norman C Nevin, Department of Medical Genetics, Institute of Clinical Science, Grosvenor Road, Belfast BT12 6BJ, from whom further details may be obtained.

The 1986 prize has been awarded to Dr Douglas Wilcox, Duncan Guthrie Institute of Medical Genetics, Glasgow for an essay on the topic 'Molecular genetic analysis of a family with Duchenne muscular dystrophy'.
