SUBJECT INDEX TO VOLUME 24

Note: All notices for conferences, symposia, and meetings are under one heading: ANNOUNCEMENTS

- Abortions, spontaneous, and trisomy 13 721
Absent radius, thrombocytopenia and absent radius (TAR) syndrome: syndrome of the month 79
Adenosine deaminase gene locus, new assignment to chromosome 20q13-11, study with interstitial deletion 20q 93
Adrenal cortical carcinoma, with malignant melanoma 664
Adult polycystic kidney disease: editorial 449 and chromosome 16, genetic linkage 457 and linked RFLPs at α globin locus, genetic study, South Wales 466
Afrikaner population, HLA linked iron loading gene 348
Age at onset, in multiple endocrine neoplasia, type 2a (MEN 2a), implications for screening 237 *abst*
Alagille syndrome (arteriohepatic dysplasia): syndrome of the month 621
Alpha₁ antitrypsin deficiency, prenatal diagnosis, and estimates of fetal risk for disease 52 gene, DNA polymorphisms in pulmonary emphysema 47
Alphafetoprotein in diagnosis and screening 124
Alpha globin locus, human, high resolution gene mapping 39
Amniocentesis or chorionic villus biopsy, in prenatal diagnosis of Down's syndrome, value assessments 636 *abst* genetic, midtrimester, Eastern Ontario: review from 1970 to 1985 335
Amniotic fluid steroid analysis, reliability in prenatal diagnosis of congenital adrenal hyperplasia 344
Anal anomalies, congenital, in two families with Opitz G syndrome 688
Anderson-Fabry disease gene, use of closely linked RFLPs to detect 635 *abst*
Angelman (happy puppet) syndrome in a girl and her brother 294
Aniridia-Wilms' tumour, G and R banding of 11p deletions: technical note 114
ANNOUNCEMENTS
Boerhaave Course, Past, present and future of human genetics, October 1987 648
British Society for Developmental Biology, Spring meeting, Oxford, March 1987 192
Clinical Genetics Society, joint meeting with Skeletal Dysplasia Society, November 1987, London 512
Course on Twin Methodology, Belgium, August 1987 512
Current Clinical Management of Cystic Fibrosis, meeting, February 1987, Manchester 128
Ecological Genetics Group, 31st meeting, Edinburgh, April 1987 192
First European Multidisciplinary Conference on Ageing, September 1987, Brighton 128
First International Breast Cancer Chemoprevention Workshop-Conference, November 1987, New York City 512
Genetical Society, 206th Meeting, Aberystwyth, April 1987 192: 207th meeting, November 1987, London 192: 208th meeting, April 1988, Norwich 192: 209th meeting, London, November 1988 192
Human Genetics, present and future, British Council Course, April 1987, Oxford 128
VII International Congress on Neuromuscular Diseases (NMDVII), Munich, September 1990 192
International Symposium BIOTECH RIA 87, Rome, April 1987 192
Intrauterine Diagnosis and Treatment: the New Frontier, conference, San Diego, California, April 1987 128
Medical Genetics, 1987, course, May 1987, Rockville, Maryland 256
Molecular Mapping of the Mouse Genome, International Meeting, September 1987, Paris 128
National Society of Genetic Counsellors Education Conference, October 1987, San Diego, California 512
Ninth International Workshop on Human Gene Mapping, September 1987, Paris 128
South African Society of Human Genetics Congress, second annual congress, Cape Town, September 1988 648
Trends in European Multiple Sclerosis Research, conference, September, France 128
Arteriohepatic dysplasia (Alagille syndrome): syndrome of the month 621
Ataxia telangiectasia, variant forms 669
Atlanta, pyloric stenosis incidence, trends, 1968 to 1982 482
Becker muscular dystrophy DNA deletion screening 243 *abst* linkage analysis and genetic counselling 152 value of determining male and female mutation rates using RFLPs 244 *abst*
Behaviour disorder in monosomy 10qter: short report 185 genetics, human, research strategies 129
Belgium, recent survey of predictive testing in Huntington's chorea 275
Berlin nomenclature for inherited disorders of connective tissue 634 *abst*

- Beta thalassaemia
high frequency in a small island population in Melanesia 357
- mutations in Turkish population: short report 378
- Birth Defects Conference, second, Manchester, October 1986: conference report 505
- Blepharophimosis, and mental retardation: correspondence 511
- Bone
dysplasia, generalised, and partial trisomy 17q, in 12 week fetus: case report 502
- marrow function and quality after transplantation, cytogenetic monitoring 638 *abst*

Fraser syndrome, clinical spectrum, three new cases and review 549
Frontonasal dysplasia associated with tetralogy of Fallot 107
Fryns syndrome, variable MCA syndrome with diaphragmatic defects, coarse face, and distal limb hypoplasia: syndrome of the month 271
- Gene mapping**
 exclusion 539
 high resolution, of human α globin locus 39
 and medical genetics: Molecular genetics of human chromosome 21 257
 and neurogenetics: editorial 513
- Genetic(s)**
 contribution to clinical management in neonatal period, audit 238 *abst*
 clinical, training course for senior registrars: conference report 383
 counselling, in Duchenne and Becker muscular dystrophy, linkage analysis 152
 diseases, new prospects, Conference, Royal College of Physicians, December 1986: conference report 642
 disorders, childhood, and inbreeding, incidence of Karnataka, South India 362
 human, Seventh International Congress, Berlin: conference reports 250, 313, 382
 medical, in China: editorial 577
 teaching in Britain 637 *abst*
- Goldenhar syndrome**
 and in vitro fertilisation: correspondence 644
 and overlapping dysplasias, in vitro fertilisation and ovopathy: hypothesis 616
- Grampian Region, prevalence of Huntington's chorea 243 *abst*
- Haemoglobin**
 disorders, China 578
 E with *MnII*, direct detection: short communication 110
 H disease, non-deletion, Papua New Guinea 767
 variants, inherited, South Africa 215
- Haemophilia A**
 probes for carrier detection and early prenatal diagnosis 246 *abst*
 recombination between DX13 and St14 in a family 640 *abst*
- Haemophilia B**, prenatal diagnosis in first trimester: short report 632
- Handicapped school leavers**, 80, follow up study, interviewed five to seven years after genetic counselling 241 *abst*
- Happy puppet syndrome** see *Angelman syndrome*
- Hermaphrodite**, unilateral true, with 46,XX/46,XY dispermic chimerism: case report 784
- HLA linked iron loading gene, Afrikaner population 348
- Hodgkin's disease, new case of (Y;1) balanced reciprocal translocation in an infertile man: short report 379
- Holoprosencephaly**, congenital heart defects, and polydactyly, unknown syndrome: dysmorphology short report 714
- Huntington's disease (chorea)**
 attitudes towards predictive testing, recent survey, Belgium 275
 DNA probes 239 *abst*
 Grampian Region, prevalence 243 *abst*
- Hybridisation maps** 1 kb single copy gene, non-radioactive *in situ* 637 *abst*
- Hydatidiform mole**, parental chromosome aberrations in partial and complete moles 613
- Hydrocephalus**, X linked, without aqueductal stenosis, prenatal diagnosis 207
- 21-Hydroxylase genes and complement C4 genes, polymorphism in congenital adrenal hyperplasia 640 *abst*
- Hydroxyurea**, effect on expression of common fragile site at 3p14 593
- Hypercholesterolaemia**, familial haplotype, associations of three DNA polymorphisms at human low density lipoprotein receptor gene locus 750
- Hyperthermia** as a teratogen 636 *abst*
- Hypertrophic cardiomyopathy**, prevalence in Northern Region 243 *abst*
- Hypohidrotic ectodermal dysplasia**: syndrome of the month 659
- Hypomelanosis of Ito**
 and diploid/triploidy 240 *abst*
 studies on origin 240 *abst*
- Hypoplastic tibiae** with postaxial polysyndactyly, new dominant syndrome: case report 369
- Hypothyroidism**, severe retardation, abnormal facies, and congenital heart defects, unknown syndrome: dysmorphology short report 715

- Ichthyosis, X linked, characterisation of polymorphic probe which detects deletions in males 635 *abst*
- In vitro fertilisation and Goldenhar syndrome: correspondence 644
- Inbreeding and incidence of childhood genetic disorders, Karnataka, South India 362
- Incontinentia pigmenti, in Klinefelter's syndrome: case report 439
- India, Karnataka, inbreeding and incidence of childhood genetic disorders 362
- Inflammatory bowel disease, sulphasalazine causing chromosome changes 244 *abst*
- Inherited disorders of connective tissue, Berlin nomenclature 634 *abst*
- IVF *see* In vitro fertilisation
- Journal of Medical Genetics becomes a monthly journal: editorial 1
- Klinefelter's syndrome, and incontinentia pigmenti: case report 439
- Kniest disease, Arab family with some features 597
- Lebanon, thalassaemic children, psychosocial and economic profile of families 772
- Lethal malformations and perinatal mortality, 10 year review 639 *abst*
