

## Contents

*Gene mapping and medical genetics* Human chromosome 22 J-C KAPLAN, A AURIAS, C JULIER, M PRIEUR, AND M-F SZAJNERI page 65

*Syndrome of the month* Thrombocytopenia and absent radius (TAR) syndrome J G HALL page 79

### Original articles

Familial orofaciodigital syndrome type I presenting as adult polycystic kidney disease D DONNAI, E KERZIN-STORRAR, AND R HARRIS page 84

Confirmation of a suspected 16q deletion in a dysmorphic child by flow karyotype analysis A COOKE, J TOLMIE, W DARLINGTON, E BOYD, R THOMSON, AND M A FERGUSON-SMITH page 88

New assignment of the adenosine deaminase gene locus to chromosome 20q13-11 by study of a patient with interstitial deletion 20q M B PETERSEN, I TRANEBJERG, S TOMMERUP, P NYGAARD, AND H EDWARDS page 93

$\beta$  thalassaemia mutations in Sardinians: implications for prenatal diagnosis C ROSAIELLI, G B LEONI, I TUVERI, M T SCALAS, A DE LUCCI, AND A CAO page 97

Ring XY bivalent: a new phenomenon at metaphase I of meiosis in man A C CHANDLEY, I B HARGREAVE, S McBEATH, A R MITCHELL, AND R M SPEED page 101

Frontonasal dysplasia associated with tetralogy of Fallot M M A DE MOOR, R BARUCH, AND D G HUMAN page 107

### Short communications

Direct detection of haemoglobin E with *MuII* S L HEINS, J R LYNCH, J M OLD, AND D J WEATHERALL page 110

Translocation chromosome map of oncogenes R CRUZ-COKE page 111

### Technical notes

An improved lymphocyte culture technique: deoxycytidine release of a thymidine block and use of a constant humidity chamber for slide making R F WHEATER AND S H ROBERTS page 113

G and R banding of 11p deletions in aniridia-Wilms' tumour R T HOWELL, A GARDNER, AND V DICKINSON page 114

### Case reports

Orofaciodigital syndrome type I associated with polycystic kidneys and agenesis of the corpus callosum A A CONNACHER, C C FORSYTH, AND W K STEWART page 116

An oculocerebral hypopigmentation syndrome: a case report with clinical, histochemical, and ultrastructural findings M A PATTON, M BARAISER, A H M HEAGERY, AND R A J EADY page 118

### Conference reports

Seventh International Congress of Human Genetics, Montreal, 1985, *Journal of Medical Genetics* page 123

Seventh International Congress of Human Genetics, Montreal, 1985, *Journal of Medical Genetics* page 124

*Book reviews* page 125

*Announcements* page 128
