EUROPEAN SCHOOL OF MEDICAL GENETICS

The International School of Pediatric Sciences of the Istituto G Gaslini and the Federation of European Biochemical Societies (FEBS) announce the third course of the European School of Medical Genetics on 1 to 7 April 1990 at Sestri Levante, Genoa, Italy. The School, directed by Professor V A McKusick (Baltimore) and Professor G Romeo (Genoa), consists of morning lectures and afternoon workshops and seminars. Applications (CV, evidence of fluency in English, letter of presentation) will be reviewed beginning October 1989 and will be considered until the course is full. A total of 100 students will be admitted. Inquiries to Caterina Cogorno, Secretary of the School, Lab Genetica Molecolare, Istituto G Gaslini, 16148 Genoa, Italy. Tel: 39 (10)5636370/400, FAX 5636461.

EUROPEAN SOCIETY OF HUMAN GENETICS 23RD ANNUAL SYMPOSIUM

The 23rd Annual Symposium of the European Society of Human Genetics will be held in Corfu, Greece, on 16 to 19 May 1990. The theme of the Symposium is 'Genetics in the 21st century'. For information write to Dr C Bartsocas, P and A Kyriakou Children's Hospital, GR-11527 Athens, Greece.

THE SIXTH INTERNATIONAL CLINICAL GENETICS SEMINAR

The Sixth International Clinical Genetics Seminar will be held in Corfu, Greece, on 20 to 23 May 1990. The main theme of the Seminar is 'Genetics of hematological disorders'. For information write to Dr C Bartsocas, P and A Kyriakou Children's Hospital, GR-11527 Athens, Greece.

THE 8TH INTERNATIONAL CONGRESS OF HUMAN GENETICS

This Congress, sponsored by the American Society of Human Genetics, will be held in Washington, DC, USA, on 6 to 11 October 1991. The first formal announcement is scheduled for late in 1989. The Executive Program Committee is considering topics, speakers, and special events. Persons or organisations who anticipate developing pre- or post-Congress events, as well as those who anticipate a need for working meetings during the week of the Congress, are urged to write no later than early October 1989. Contact Dr John J Mulvihill, Secretary-General, ICHG, 9650 Rockville Pike, Bethesda, MD 20814, USA.
