CORRECTION

doi:10.1136/jmg.2008.056499corr1

There were two errors in a paper published in the June issue of the journal (Hadfield KD, Newman WG, Bowers NL, Wallace A, Bolger C, Colley A, McCann E, Trump D, Prescott T, Evans DGR. Molecular characterisation of *SMARCB1* and *NF2* in familial and sporadic schwannomatosis. *J Med Genet* 2008;**45**:332–9). “c.1032-12C>G” should be “c.1119-12C>G” and “p.G29_530del” should be “p.G29_S30del” both in table 2 and elsewhere in the text.
