

Correction 2: A common SLC26A4-linked haplotype underlying non-syndromic hearing loss with enlargement of the vestibular aqueduct

On the last 3 rows/lines (subjects 2106, 2107, 2108) of table 4 on page 670, the Allele 1 genotype “p.Asp324Tyr” should be “p.Asn324Tyr”. This error does not change, in any way, the conclusions of the paper.
